# MAMMA MIA! THE PARTY

***As the only retailer in Scandinavia, we can offer you to book a table at Nikos Taverna when Mamma Mia! The Party is coming to London.***

*In 2016, Mamma Mia! The Party premieres on Tyrol, Gröna Lund, Stockholm. Sold out houses evening after evening and nice reviews keeps the joyful party still going. The party now takes a big step over to London, England.*

*This is not a concert, nor is it a musical. But what is it then?*

*This is just the ultimate party where you are the guest, in the middle of the music, in the middle of the action and in the middle of the party! You are the "Dancing Queen" at Nikos Taverna and you sing along, because you now the songs, right?*

*If you ever seen Mamma Mia! The musical you can probably get a sense of how the party will be. The same joy you feel at the musical, that feeling that you can't sit still in your chair. When the whole theatre stands up, singing and dancing in the final! Vibrant applause always sounds at Novello Theater on the north side of the River Thames. Maybe you should "take a chance" to visit both the musical and The Party? Musical one day and Party the other, stay in Waterloo? A dream for the passionate Abba fan who wants to experience the music, and London!*

*Let's pretend that we are at Nikos Taverna, on the Greek island of Skopelos, the place where the party never ends! There we enjoy good food and drinks, fantastic performance, Abba's well-known tones and the lovely Greek atmosphere. You are there, you are in the middle of it, experiences the Greek island and the warm summer evening regardless of the weather outdoors. Make sure you get there on time so that you don't miss out on the welcome drink. Jump on the bus in Waterloo and get off at North Greenwich, party is just one step away.*
